

# ANRO Project - Schema

## Page: Navigation

Elements:

1. Navbar
2. Footer

## Navbar

Elements:

1. Left Link
  - a. Text: ABOUT
  - b. href: /about
2. Middle Link
  - a. Text: PORTFOLIO
  - b. href: /portfolio
3. Right Link
  - a. Text: WORK WITH US
  - b. href: /work\_with\_us

- Actions: The client can EDIT the text and href of each of the three links. Yet, the client can't create a new link instance or delete any of the three.

## Footer

Elements:

1. FOOTER MAIN
  - a. Footer Header
2. GET IN TOUCH
  - a. Telephone
  - b. Contact Email
  - c. Address
3. LETS CONNECT
  - a. LinkedIn
  - b. Instagram
4. SUBSCRIBE TO OUR NEWSLETTER
  - a. Newsletter Email
5. DISCUSS A PROJECT WITH US
  - a. Form Message
  - b. Projects Email
6. LEGAL
  - a. Rights Reserved
  - b. Privacy Policy

## Footer Main

1. Footer Header
  - a. Type: Text
  - b. Initial Value: "We have a deep respect for craft so every project is shaped by skilled hands, honest dialogue, and meaningful relationships."
- Actions: The Client can edit the value of the footer header. The client can't delete the instance or create a new one, only replace its content.

## GET IN TOUCH

1. Telephone
  - a. Type: Text
  - b. Initial Value: "305.300.1473"
2. Contact Email
  - a. Type: Email
  - b. Initial Value: [contact@anro.com](mailto:contact@anro.com)
3. Address
  - a. Type: Text
  - b. Initial Value: "College Station, TX"
- Actions: The client can replace the existing values of the Telephone, Contact Email and Address. The client cant create new instances or delete the existing.

## LETS CONNECT

1. LinkedIn
  - a. Type: Link
  - b. Href: /linkedin
2. Instagram
  - a. Type: Link
  - b. Href: /Instagram
- Actions: The client can replace the existing values of both Hrefs. The client can't delete the instances or create new ones.

## SUBSCRIBE TO OUR NEWSLETTER

1. Newsletter Email
  - a. Type: Email
  - b. Initial Value: [newsletter@anro.com](mailto:newsletter@anro.com)
- Actions: The client can replace the value of the Newsletter Email. The client cant create a new instance or delete the existing.

## DISCUSS A PROJECT WITH US

1. Form Message

- a. Type: Text
    - b. Initial Value: "Tell us about your project"
  2. Projects Email
    - a. Type: Email
    - b. Initial Value: [projects@anro.com](mailto:projects@anro.com)
- Actions: The client can replace the values for the Form Message and the Projects Email. The client cant create new instances or delete the existing.

## Legal

1. Rights Reserved
    - a. Type: Text
    - b. Initial Value: "2025 All Rights Reserved"

    - a. Type: Link
    - b. Href: /privacy
- Actions: The client can change the values for Rights Reserved and the Href for Privacy Policy. The client can't create new instances or delete existing ones.

## Page: Projects

In this Page, the client will be able to create a new project, see the existing projects, edit existing projects and delete existing projects.

Each Project has the following structure

1. Project
  - a. Project Title
    - i. Type: Text
  - b. In collaboration with
    - i. Type: Text
  - c. Area
    - i. Type: Integer
  - d. Client
    - i. Type: Text
  - e. Team
    - i. Type: List of Text
    - ii. Note: The client can add multiple team members
  - f. Structural Design
    - i. Type: Text
  - g. Landscaping
    - i. Type: Text
  - h. Illumination Design
    - i. Type: Text

- i. Selected awards
  - i. Type: List of Text
  - ii. The client can add multiple selected awards
- j. Selected press
  - i. Type: List of Text
  - ii. The client can add multiple selected press
- k. Gallery
  - i. Type: List of Images
  - ii. The client can add multiple images
- l. Type
  - i. Type: Option between “Residential” and “Commercial”
  - ii. The client can select between one of these two.

As an example, and to load the content with an initial element, here is the example of a mock-project:

- Project Title: Legacy Court
  - In collaboration with: Camilo Restrepo
  - Area: 450
  - Client: Carlos Zedillo
  - Team: Jachen Schleich, Francisco Franco, Jose Manuel Estrada, Gustavo Hernandez, Sana Frini, Samuel Campero, Santiago Sitten, Mariana Viquez
  - Structural Design: Oscar Trejo
  - Landscaping: Taller de Paisaje Entorno
  - Illumination Design: Lightchitects | Carlos Hano
  - Selected awards: Medalla de Oro de la Bienal Nacional de Arquitectura, Segundo lugar en el Premio Internacional de Arquitectura Sacra
  - Selected press: The New York Times, El Pais, Architectural Record, ArchDaily, Dezeen
  - Gallery: Image1, Image2, Image3, Image4, Image5
  - Type: Commercial
- Actions: The client should be able to create a new project, by filling a form. Additionally, the client should be able to select from a list of existing projects and decide whether to edit or delete. If the client decides to edit, then the possibility to modify the existing values is enabled. For the fields that are lists, the client can decide to delete an element, edit its content or add a new element.

## Page: Home

Elements:

1. Hero
  - a. Hero Text
2. Introduction
  - a. Intro Text
3. Featured Projects
4. Approach

- a. Approach Top
- b. Approach Middle
- c. Approach Bottom
- d. Approach Text
- e. Approach Motto

## Hero

Elements:

1. Hero Text
    - a. Type: Text
    - b. Initial Value: "THE WAY WE BUILD IS THE WAY WE LIVE"
- Actions: The client can modify the value of the Hero Text. The client can't create new instances or delete existing ones.

## Introduction

Elements:

1. Intro Text
    - a. Type: Text
    - b. Initial Value: "We are a unified architecture and construction firm rooted in trust, craftsmanship, and collaboration. With fully integrated services, we transform visions into deeply personal, beautifully built spaces — guided by care, shaped by story, and made to last."
- Actions: The client can modify the value of the Intro Text. The client can't create new instances or delete existing ones.

## Featured Projects

This section should be composed of a list of featured projects. The client should be able to select projects from the available projects – created in the Projects page – and "feature" them, or un-feature them.

- Actions: Feature and Un-feature projects. The list of possible projects to feature should be generated by the projects created on the Project's page.

## Approach

Elements:

1. Approach Top
2. Approach Middle
3. Approach Bottom
4. Approach Text
  - a. Type: Text

- b. Initial Value: "At ANRO we lead with a different ethos — one that centers not just on the finished product, but on the people, talent, and process that bring it to life."
- 5. Approach Motto
  - a. Type: Text
  - b. Initial Value: ""We believe strong projects are the result of strong relationships"

## Approach Top

Elements:

1. Approach Title
    - a. Type: Text
    - b. Initial Value: CRAFTSMANSHIP AND INTEGRITY
  2. Approach Text
    - a. Type: Text
    - b. Initial Value: A diverse group committed to excellence in every project
  3. Approach Image
    - a. Type: Image
    - b. Initial Value: ApproachImage1
- Actions: The client can modify the values, and upload an image that will substitute the image from Approach Image. The client can't delete existing instances or create new ones.

## Approach Middle

Elements:

1. Approach Title
    - a. Type: Text
    - b. Initial Value: RELATIONSHIP DRIVEN PROCESS
  2. Approach Text
    - a. Type: Text
    - b. Initial Value: Building lasting partnerships through collaborative communication and shared vision.
  3. Approach Image
    - a. Type: Image
    - b. Initial Value: ApproachImage2
- Actions: The client can modify the values, and upload an image that will substitute the image from Approach Image. The client can't delete existing instances or create new ones.

## Approach Bottom

Elements:

1. Approach Title
  - a. Type: Text
  - b. Initial Value: INTENTIONAL GROWTH

2. Approach Text
    - a. Type: Text
    - b. Initial Value: Strategic expansion that maintains our core values while embracing innovation.
  3. Approach Image
    - a. Type: Image
    - b. Initial Value: ApproachImage3
- Actions: The client can modify the values, and upload an image that will substitute the image from Approach Image. The client can't delete existing instances or create new ones.

## Page: About

Elements:

1. Intro
2. Our Team
3. Shaped by Story

### Intro

Elements:

1. Intro Text
  - a. Type: Text
  - b. Initial Value: Weaving together architectural intent, masterful execution, and a deep sense of care — for team, craft, and client.
2. Intro Image
  - a. Type: Image
  - b. Initial Value: AboutImage
3. GET IN TOUCH
  - a. Type: Link
  - b. Href: /getintouch

- Actions: The client can modify the values of the Intro Text, Intro Image and GET IN TOUCH link. For the image, the client can upload an image that replaces the previous one. The client can't delete existing instances or create new ones.

### Our Team

Elements:

1. Team Intro
  - a. Type: Text
  - b. Initial Value: We are a multidisciplinary firm based in Texas offering architecture and construction services. Led by a close-knit team of experienced professionals, ANRO provides end-to-end project delivery for high-end residential homes and legacy builds — combining creative vision with precise execution.

## 2. Team

### Team

In this subsection, the client will be able to Create new team members, see existing team members, modify the values of existing team members and delete existing team members.

The structure of a team member instance is:

1. Team Member
  - a. Profile Picture
    - i. Type: Image
  - b. Name
    - i. Type: Text
  - c. Last Name
    - i. Type: Text
  - d. Role
    - i. Type: Text
  - e. Member Description
    - i. Type: Text
- Actions: The client can create a new team member by completing a form. The client can see existing team members and decide to modify their content or delete the instance.

### Shaped by Story

Elements:

1. Story Intro
  - a. Type: Text
  - b. Initial Value: By honoring the integrity of every collaborator and fostering a culture of excellence, we create spaces that are not only architecturally exceptional but emotionally grounded.
2. Story Motto
  - a. Type: Text
  - b. Initial Value: We believe strong projects are the result of strong relationships. That's why we work closely with clients, builders, and artisans from day one.
3. Main Image
  - a. Type: Image
  - b. Initial Value: StoryImage1
4. Secondary Image
  - a. Type: Image
  - b. Initial Value: StoryImage2
5. VIEW OUR WORK
  - a. Type: Link
  - b. Href: /work
- Actions: The client can modify the values of the Story Intro, Story Motto. The client can upload new images that substitute the values of the Main Image and Secondary

Image. The client can modify the VIEW OUR WORK Href. The client can't delete existing instances or create new ones.
